VCL

We have a dynamic and well-established construction imprint in the construction sector that comprises residential & commercial complexes, industrial, institutional, healthcare, aviation, and other domains.

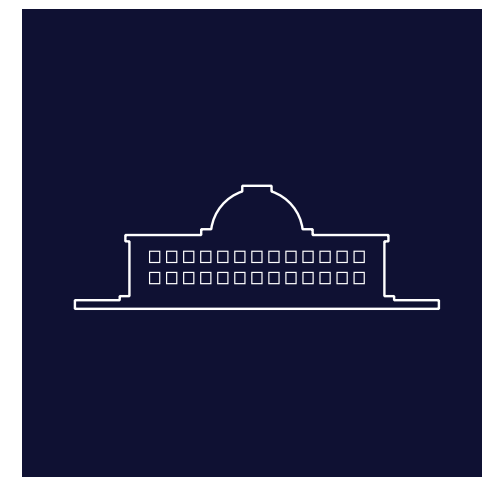

Having already left our signature marks on above segments, recently made giant strides into highway construction & upgradation of railway stations as turnkey solution provider. Our subsequent ventures in the next quinquennium would be delivering comprehensive engineering services in the airport & water sector.

Group - Companies

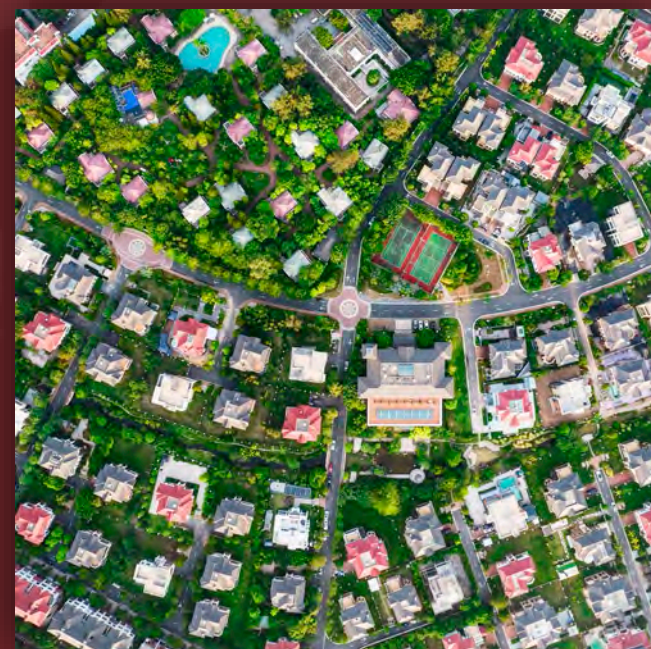

Over the last 38 years, the VCL, led by Shri Varinder Kumar Garg, has been providing its best to the construction industry. It is one of India's largest and fastest growing construction companies. The group is made up of six companies involved in construction, manufacturing, & real estate.

Varindra & Co.

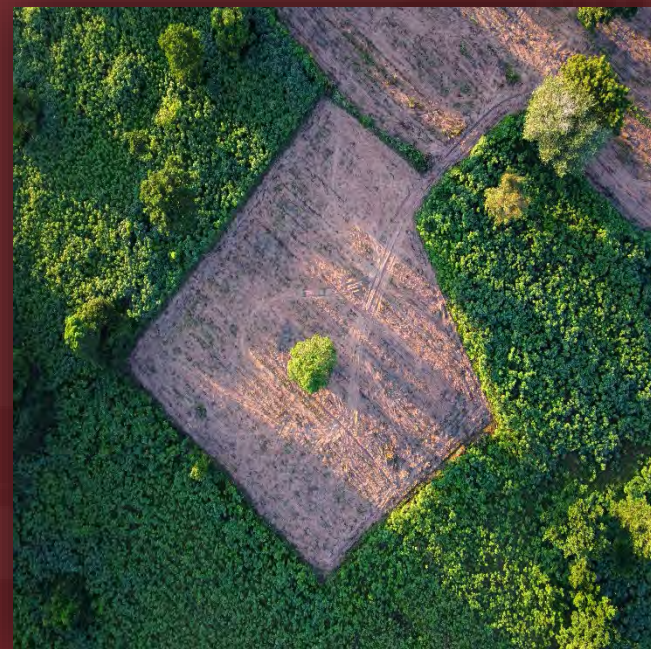

The company was started in 1984 by Mr. Varinder Kumar Garg in Jodhpur for executing projects in the defense sector (Army, Airforce, and Navy). Varindra and Company is registered with the largest construction maintenance agency MES as class 'A' under Southern Command (Index No. A-194) and Chief Engineer South Western Command (Index No. A-06 AC/SC). It carries out works related to civil, E&M, and infrastructure in various regions of the country.

Varindera Constructions Ltd

Varindera Constructions Ltd. was established in 1984 under the chairmanship of Mr. Varinder Kumar Garg. It has been our largest venture, providing comprehensive and massive construction solutions in various segments of national importance like housing, institutional, healthcare, aviation, roads, highways, metro and railways. With our rich experience, we execute innovative techniques in engineering, procurement, and construction. Our expertise in the domain increases efficiency, reduces time and cost overruns and adequately caters to the needs of a dynamic environment.

Varindera Developers & Infrastructure (P.) Ltd.

Varindera Developers & Infrastructure (P.) Ltd. was setup in the year 2007 under the Company Act, 1956. It has land bank of more than 65 Lakh square feet at various locations like Punjab, Rajasthan, Delhi NCR etc.

Bracing & further augmenting the capabilities with all eagerness to venture into Residential, Commercial & Hospitality sectors.

VCL Overseas

After the successful launch of its landmark projects in Mauritius in 2019, VCL Overseas was established in the first month of 2020 outside the country to carry out global level infrastructure projects in Mauritius, Maldives, Sri Lanka, and Southeast Asian countries. Soon after its commencement, VCL Overseas undertook an esteemed housing project in Mauritius. We are looking ahead for the development of more such projects in African continents and other developing countries worldwide.

Surbhi Metal (I) Pvt Ltd.

VCL diversified into fabrication in 1996 with the manufacturing of steel doors, windows, and ventilators. We adequately comply with the highest quality, reliability, and safety standards and have been granted the IS-1038 certification mark by BIS. Surbhi Metal (I) Pvt Ltd. is registered with various premier government organizations like CPWD and MES. We are fully competent and well equipped with the modern-day advanced facilities for cutting, bending, welding, polishing, & painting works. Resourced with separately installed units for wooden and metal requirements, we can readily cater to the kinetics of work as per diverse customer requisites.

Vivek Infra Projects Pvt. Ltd.

To boost economic growth and strengthen consumer confidence in the housing sector, Vivek Infra Projects Pvt. Ltd. was incorporated on 3rd March 2010 under the Company Act 1956. The ISO 9001-2008 certified company aims to exclusively construct affordable housing for the lower/middle-income groups. The developers of Vivek Infra group conjured up a tremendous development at the site with the execution of residential township comprising of 1150 smart value homes with basic amenities such as health club, jogging track, swimming pool, etc., in a phased manner.

Introduction - Founder

Varinder Kumar Garg
Founder, Chairman, and Managing Director

Shri Varinder Kumar Garg Founder, Chairman, and Managing Director of M/s Varindera Constructions Limited hails from a very humble background, born in Bathinda on August 18, 1960. His personality imbibed the lesson of hard work and honesty at his home from none other than his parents Shri Kapur Chand & Lt. Smt. Sushila Kumari both were Government School teachers. Having started his career as a trainee at a friend's firm and soon realized that his true passion lies in the field of Construction which led him to start his own Construction firm in 1984 as a "Class E" Contractor with MES.

Owing to his perseverance and passion, in no time, Shri Varinder Kumar Garg got his firm, Varindera Constructions Limited upgraded to class 'A' category at the young age of 34 years i.e., within a short spell of 10 years since the beginning, the firm saw a meteoric rise with up-gradation to the highest category "SS" class of MES.

Later, the company achieved many remarkable feats and keep on surpassing its own earlier benchmarks year on year basis wherein several prestigious projects have been completed at the national as well as international level thereby earning a niche place among its long clientele which includes esteemed Organizations like MES, NBCC, NHAI, CPWD, Metros, Railways as theirs most reliable and trustworthy Contractor.

During the successful march, Shri Varinder Kumar Garg with his multifaceted talent was entrusted with many a role wherein he serves as the President of All India MES Builders Association of India, the only association in India recognised by MoD, at a very young age during year 2007-09 & felicitated with many prestigious awards like "Bhartiya Nirman Ratan" award in 2003, "Indra Gandhi Sadbhavana Award" in 2007 & "CIDC Vishkarma Award" in 2010, 2011, 2015-2017 to name but a few.

Full credit goes to Shri Varinder Kumar Garg for inculcating his mission and vision for the company down the line with special emphasis on the culture of ethics and ownership wherein leadership is being nurtured and empowered at all levels continually in its pursuit to be the makers of India. The glorious journey of Varindera Constructions Limited continues with much fanfare thanks to the ever young innovative and simple approach of Shri Varinder Kumar Garg to get the company to a newer height to deliver the goods, and fulfill the aspirations of stakeholders along its way to the sustainable development of society at large.

Vision

Encompassing legacy of ethics and empowerment as makers to the nation and service to the mankind.

We want to build trust in our work culture that we can consistently build structures of monumental quality and endurance. Our vision combines our core values of environmental stewardship in our construction.

Setting excellent standards in consistency, quality, and timely execution.

We strive to complete projects on time and to a high standard of quality. Completing a project is like fulfilling a promise to God for us.

2020

Awarded for Megalith Construction of 8500+ Residential Apartments by Amrapali

Construction of Integrated Simulator Complex at the Naval Base, Kochi.

2022

VCL further increases its overseas footprint wherein International order book stands at an all-time high figure which contributes more than 25% of the total order booked.

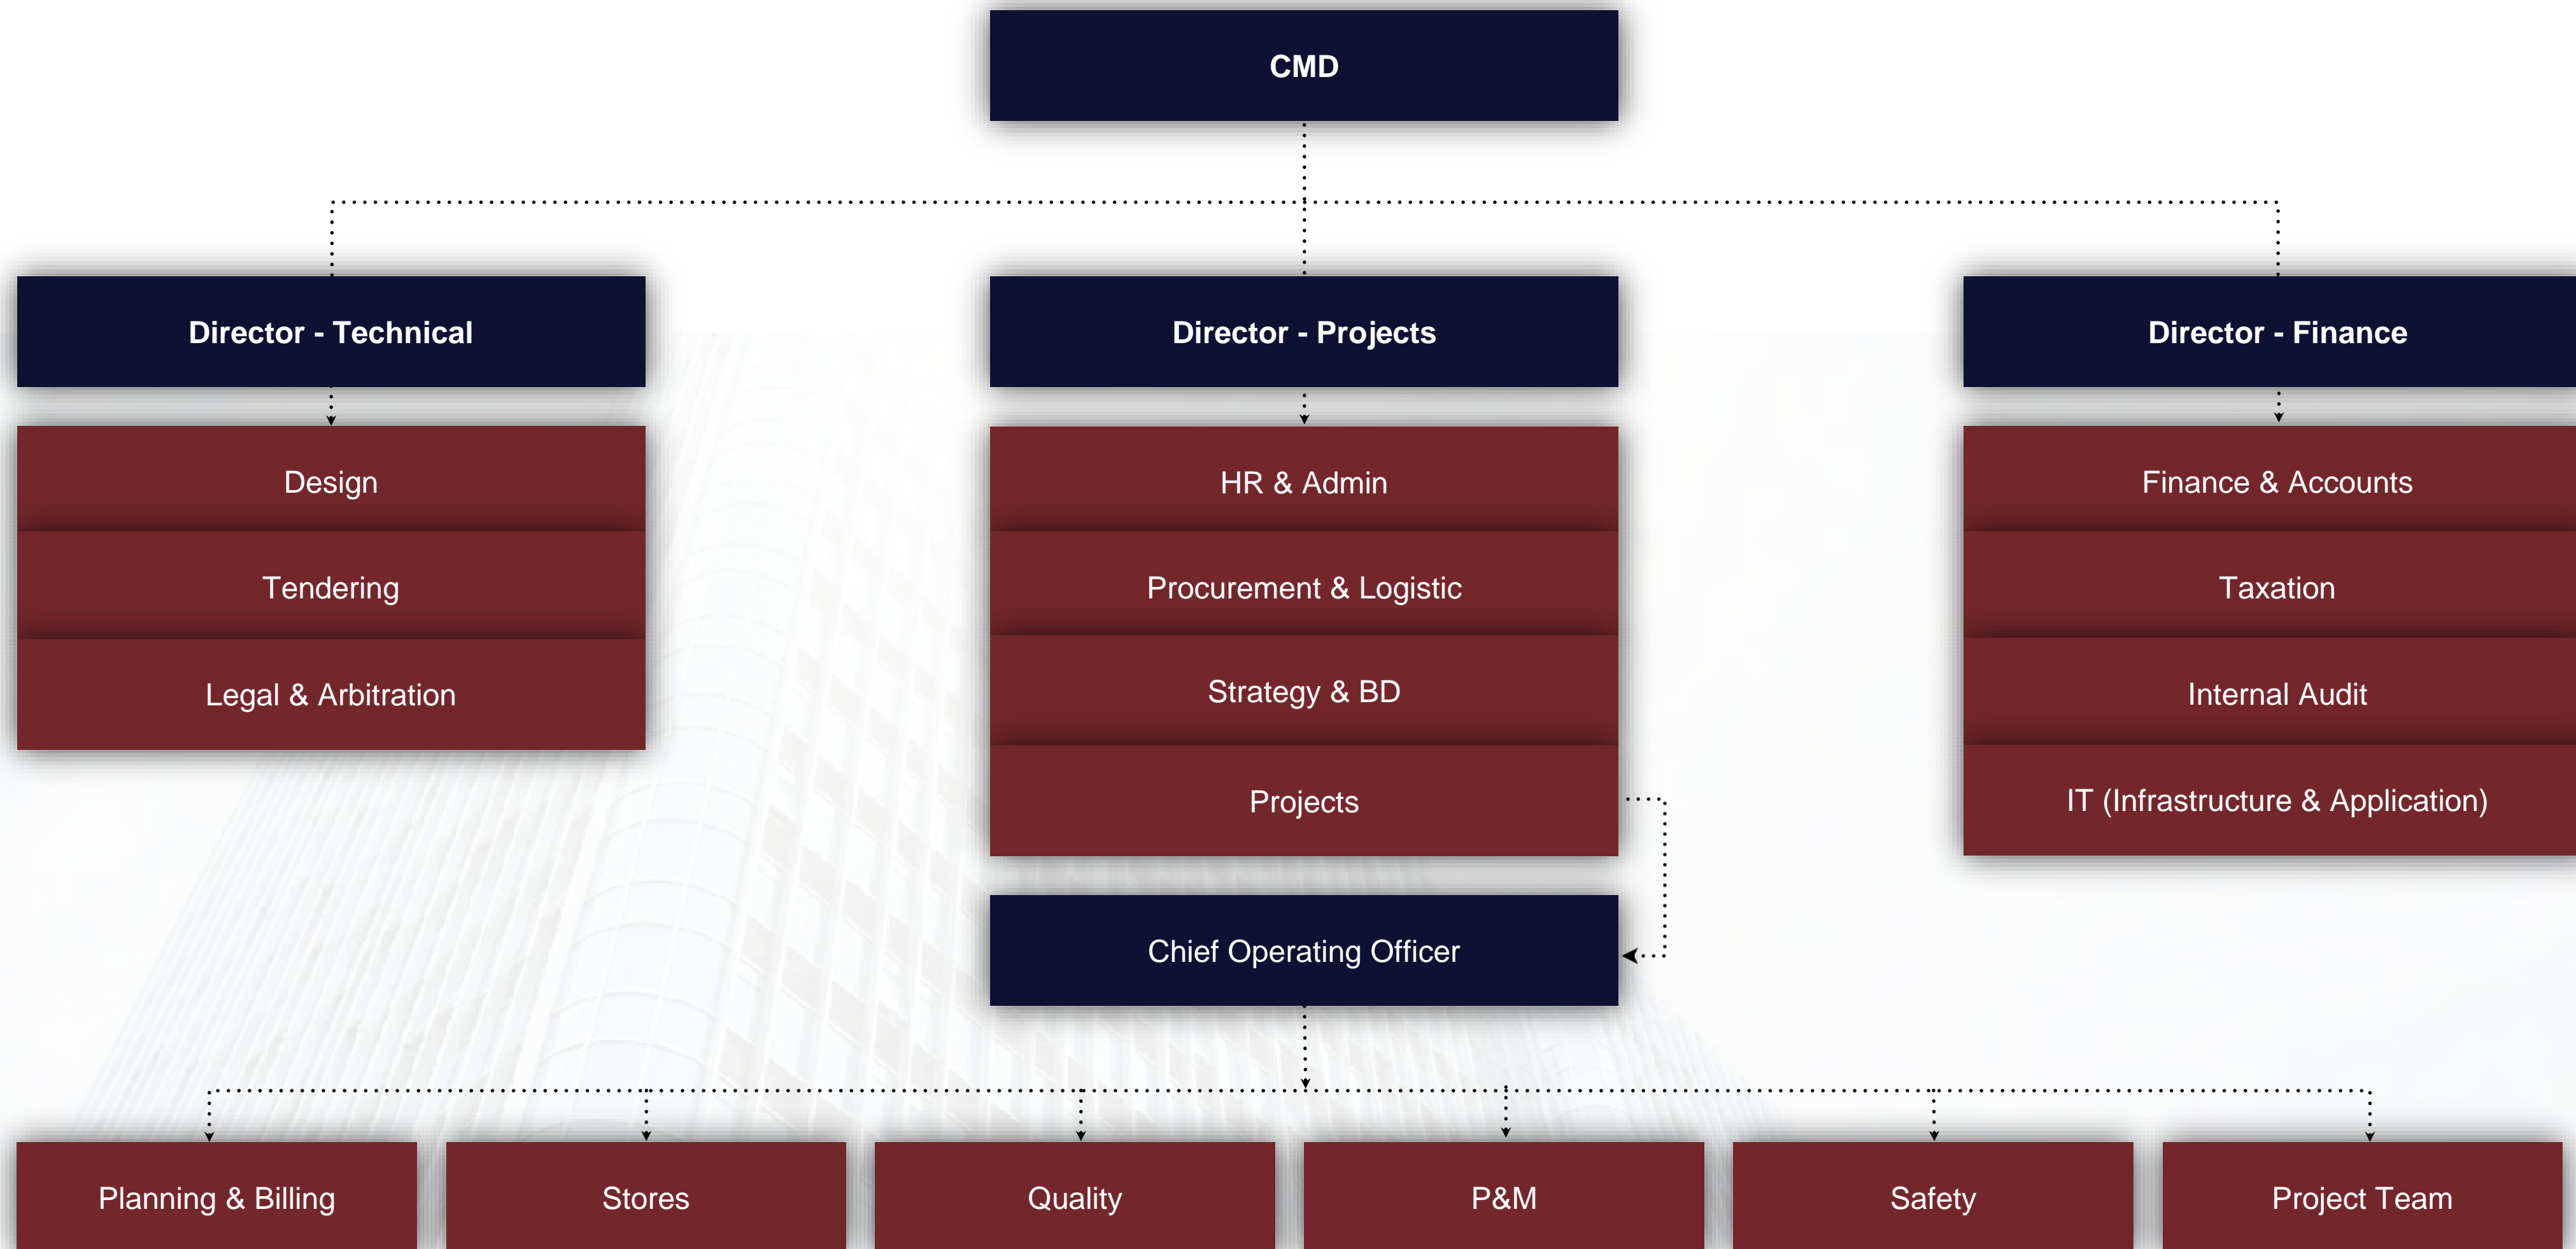

25%

Entered the Railway Sector by modernising railway stations throughout the country.

Inauguration of the first international project at Mauritius by PMs of both countries

Management

Process - Project Management

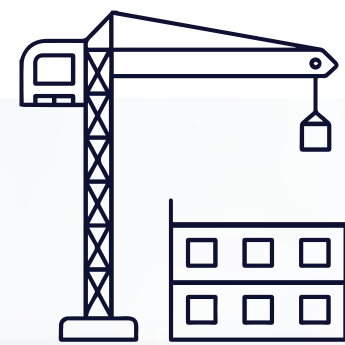

Powered by

Implementing Partner

Inherent Capabilities

Execution

1

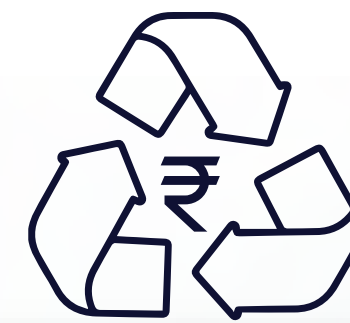

Building the infrastructure is our passion and aim in life. We have the experience and expertise to construct things the way they should be without any delay.

Quality Management

2

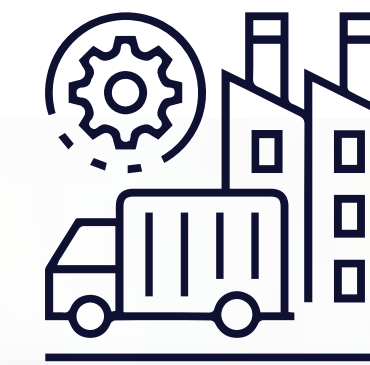

We always adhere to a quality-first policy and strive to keep project quality high in order to ensure client satisfaction.

Monetary Resilience

3

We have a proven track record of having a well-planned financial strategy and resources in place.

Plant & Machinery

4

We have our own machineries like Poclain, Excavators, Transit Mixtures, Boom Pump, Piling Rig, Tower Cranes, Hydra, Hywaa, Tractors etc. to name a few of them at each plant & project.

Timely Delivery

5

We respect project deadlines & our track record of completing projects on time is highly valued by departments.

Inherent Capabilities

Technology Adoption

6

Many technical systems and adoption have been incorporated. A new SAP system was implemented to improve project planning, monitoring, & execution.

Empowering Manpower, Creating Growth Trajectories

7

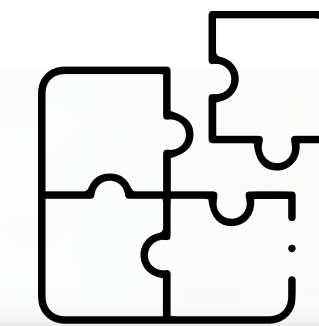

We believe in strengthening & empowering our human resources, be it employees, engineers or the workforce by discovering their inner potential and facilitation appropriate environment to work in, & giving all of them equal opportunities for success and growth.

Accessibility

8

People can always reach out to us and address their concerns. Our top management is always available to the Client/ Contractors for any issues.

Backward Integration

9

Leveraging on backward integration for better synergy, improved efficiency and enhanced profitability.

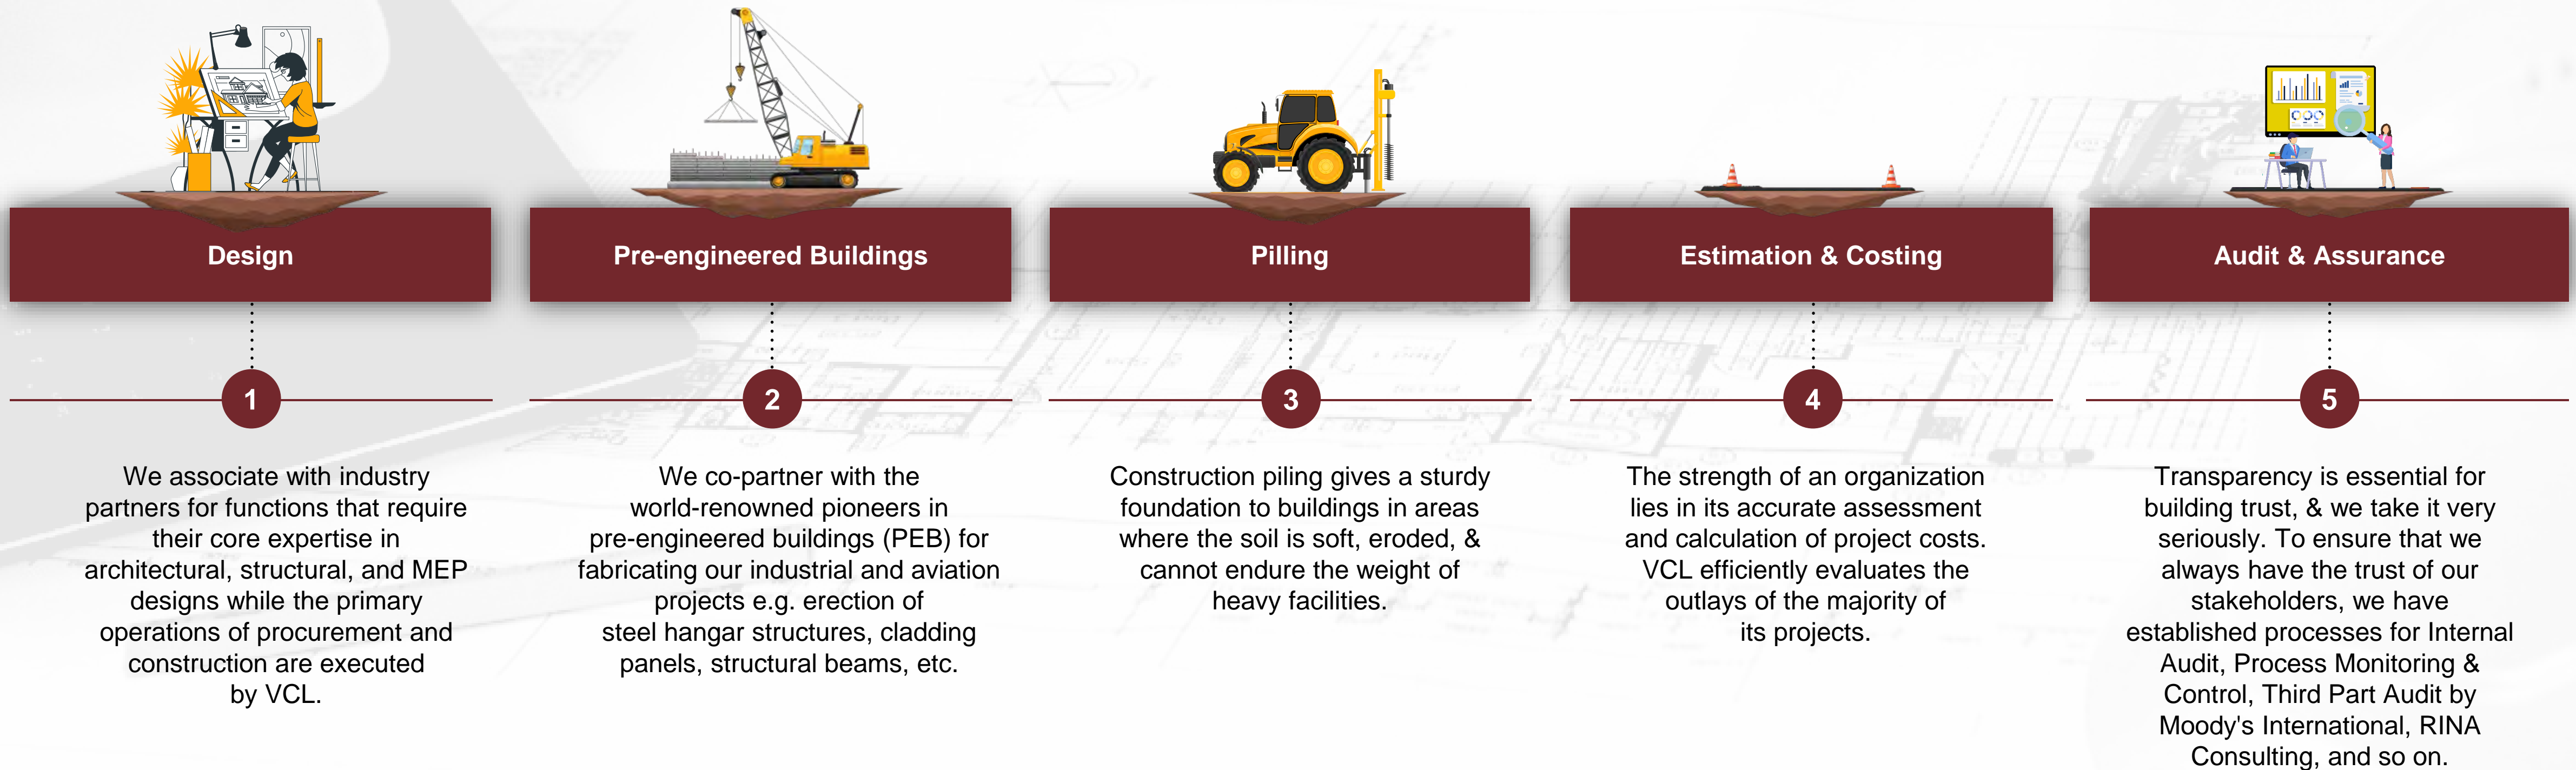

Environment Social Health & Safety Management

10

With the construction sector contributing to 23% of air pollution, VCL has always been trying to lower its impact on the environment with green, safe & sustainable construction practices.

Collaborations

VCL has well-orchestrated collaborations with venerable experts from divergent industries.

Presence

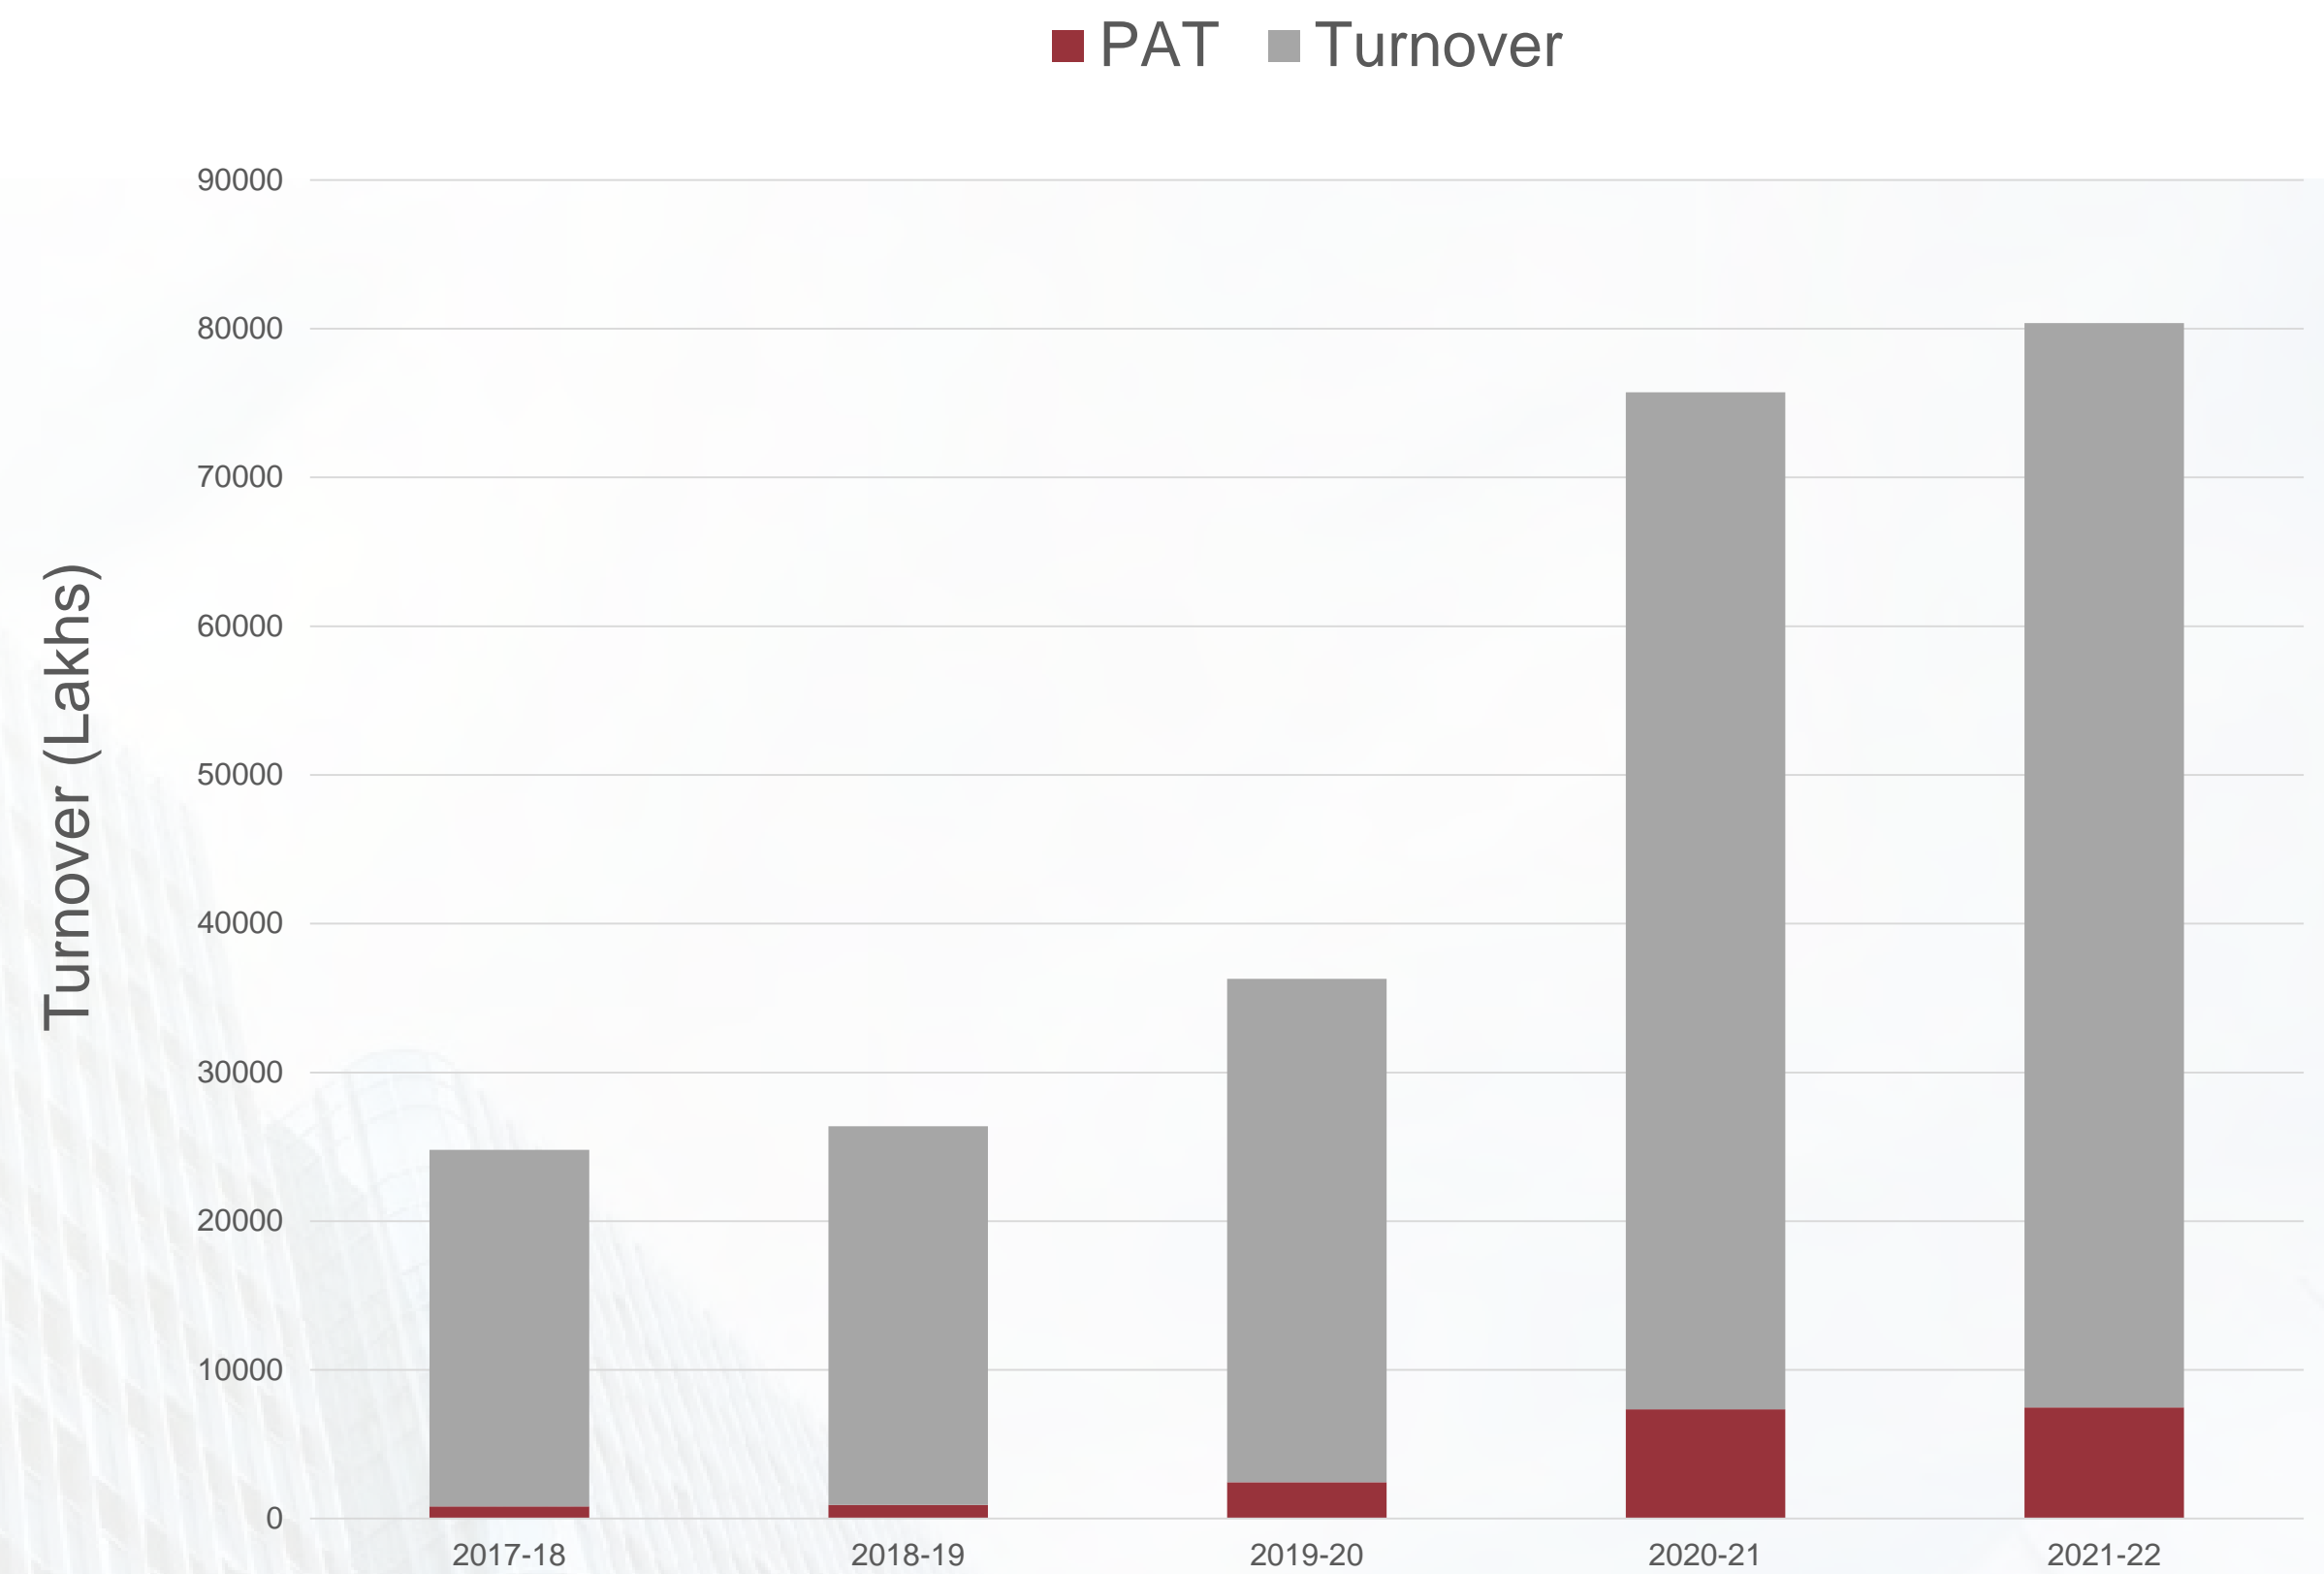

Varindera Constructions Ltd has a major presence in India and two other countries. Our firm footholds have been adaptability and accepting change, through which we have made our mark in hard regions characterised by weak infrastructure, rocky landscapes, harsh climate conditions, and difficult geographical settings.

Delegate Visit / Ministry Visits

VCL promotes a culture of transparency, trust, and relationships. We value people's involvement both on the job site and after the projects are completed. On-site exchange of ideas and techniques aids in the improvement of both construction and delivery. As a result, we always arrange site visits for various delegates from various countries and government ministries.

Chinese Delegates Visit at Jasola Site, 2016

French Delegates Visit at Jasola Site, 2016

Bhutan Delegates Visit at Jasola Site, 2016

Site Inspection by Hon. Mr. Purnanand Jhugroo, Minister of Housing & Land

Site Visit by Hon. Prime Minister & Hon. Minister of Housing Mauritius along with High Commissioner of India to Mauritius and Other Delegates.

EHS - Environment Health & Safety

With the construction industry accounting for 23% of air pollution, VCL has always attempted to reduce its environmental impact through green and sustainable construction practises. QUANTUS has awarded us the certificate of registration in Environment Management System (ISO 14001: 2015) following rigorous inspections by the ISO team.

The company recently constructed a many structures, including its corporate head office in Sector-18, Gurugram, Haryana, and the Delhi Public School in Greater Noida, all of which received a Green Building rating from the GRIHA council.

VCL Head Office	★★★★
DPS Greater Noida	★★★

Green Building Rating- GRIHA Council.
